

2D Engineer Battalion Sponsorship

Welcome to White Sands Missile Range! As you are aware the 2D Eng BN, has not yet been stood up, so there is no “Unit” to draw Soldiers from to provide Sponsors for your PCS to White Sands Missile Range.

Therefore, to meet your need for sponsors, White Sands Army Community Service has created a “pool” of civilian and contract volunteers to be Sponsors for you.

These civilians and contractors have all worked and lived on White Sands Missile Range or the surrounding communities on average of at least 15 years and will be able to answer any questions you may have about your new home here at White Sands.

The volunteer Sponsors main job is to help make your PCS and transition as smooth as possible by orienting you to White Sands Missile Range and the surrounding community.

To make the Sponsorship Program work as effectively as possible, we need to hear from those of you who would like a sponsor as soon as possible.

If you are interested in having a volunteer Sponsor to help with your PCS and transition to White Sands Missile Range, please contact the White Sands ACS Relocation Program Manager at 575-678-1337 or email wsmracs@conus.army.mil.

As soon as we hear from you we will contact you to set up a sponsor to assist you in any way we can with your PCS to White Sands Missile Range.

Again, welcome to White Sands Missile Range! We are looking forward to welcoming you and working with you!

Sincerely,

White Sands Army Community Service Staff

575-678-1337 or wsmracs@conus.army.mil
