

WSMR Ammunition and Explosives Amnesty Day, 9 December 2020

It's time again to prepare for the Annual White Sands Missile Range Ammunition and Explosives (A&E) Amnesty Day. This year the event will occur on Wednesday, 9 December 2020 between 8:30am-2:30pm. In accordance with DA PAM 385-64 and DA Pam 700-16 amnesty is an anonymous process and may be used without fear of penalty or prosecution.

The collection point will be Gate A18, located on I70; is five miles east from the NM Hwy 213 (Owen Road) which is the turnoff to the White Sands Missile Range Las Cruces Gate. Quality Assurance Specialist Ammunition Surveillance (QASAS) will be accepting amnesty turn-in at this location. No question will be asked of the person turning in the A&E, nor will there be any record made of who turned in A&E amnesty.

The purpose of the Army's A&E Amnesty Program is to allow personnel to turn-in any A&E in their possession (found, forgotten, obtain under questionable conditions...), that they are not legally allowed to have. The amnesty process gets the material back into the proper supply channels. This does not apply to using organizations that have received an A&E issue, but have not utilized the proper supply process to complete a normal turn-in.

Who: Anyone (Anonymously)

What: Ammunition and Explosives Amnesty Day

When: 9 December 2020 from 8:30am-2:30pm

Where: WSMR Gate A-18 (Interstate 70, 5-miles from NM Hwy 213, turn-off for the Las Cruces Gate)

How: Safely Providing the A&E item(s) to a WSMR QASAS Employee

Why: Keep WSMR and community SAFE and FREE of unauthorized ammunition and explosives, which can create a hazard to our community.

QASAS: 575-678-7449

WSMR Explosives Safety Manager: 575-678-5194
